

Childcare Resource Guide

This childcare resource guide lists local childcare networks and referral agencies.

Childcare referral agencies can help locate providers who offer flexible hours of care to meet the needs of working parents.

Childcare networks make referrals to childcare providers within the network, and they are responsible for monitoring their members.

Childcare providers accept ACD or HRA funding and some accept private payments.

This resource guide is a work in progress and will be updated periodically. Please [contact NEW](#) with any questions or suggestions you may have.
